English

Nazairi basil

SIGN IN TO EDIT

Nazairi basil is a rare plant introduced in the *Blood and Wine* expansion. It is needed as an alternative ingredient to craft lesser green mutagens, green mutagens, and greater green mutagens.

It can only be cultivated in the renovated garden at Corvo Bianco, where it will grow along with winter cherry and blue lotus flowers in the greenhouse in the northern part of the vineyard.

Nazairi basil

Used in alchemy.
